Sheriff Bobby F. Kimbrough, Jr.

Sheriff Bobby F. Kimbrough, Jr. was elected to office in 2018. His passionate commitment to serving others, coupled with his diverse career experiences in law enforcement, gives him a unique vision for fulfilling the duties of the Office of Sheriff.

Born and raised in Forsyth County, Bobby graduated from North Forsyth High School before earning his undergraduate degree from High Point University. Bobby began his law enforcement career in 1984 as a Police Officer for the Winston-Salem Police Department. In 1987, he became an Arson Investigator with the Winston-Salem Fire Department while serving in the role of Assistant Fire Marshal. He then moved to working with high-risk offenders at the North Carolina Department of Probation and Parole.

From 1995 to 2016, Bobby served the United States Department of Justice as a Special Agent in the Drug Enforcement Administration (DEA). He specialized in investigating crimes against the government, including organized crime, money laundering, gang violence, and drug trafficking. Various certifications, including Department of Justice Instructor, and his abilities as a speaker of the Spanish language afforded him the opportunity to work extensively throughout the United States of America.

With more than thirty (30) years of law enforcement experience, Sheriff Kimbrough brings his professional experiences and personal passions to projects close to his heart. An active community leader, he founded Branded for Knowledge, a program focusing on strengthening, empowering, and encouraging individuals to reach their full potential. As the first African-American Sheriff of Forsyth County, Bobby plans to improve the relationship of the agency with the community by continuing to build bridges and enhance the work already being done by staff members.

Even in light of his numerous accolades, Bobby considers being a single parent raising seven (7) boys as responsible, respectful young men to be his absolute greatest accomplishment.

The Communications Section is the “life line” for citizens and officers when assistance is needed. This area is generally the first point of contact for citizens when law enforcement services are requested, whether they are emergency or non-emergency situations. Computer Aided Dispatch (CAD) allows telecommunicators to view the locations of officers via GPS mapping to ensure the closest units are sent to emergency situations.

The Fleet/Procurement section is an integral part of the day-to-day functions for all sections of the Forsyth County Sheriff’s Office. This section purchases and maintains all Forsyth County Sheriff’s Office fleet vehicles as well as being responsible for issuing all equipment and uniforms needed for each staff member. In 2019, the FCSO had 283 fleet vehicles and over 10,000 pieces of uniform equipment valued at over \$8 million.

Forsyth County Sheriff's Office

Index Crime

Index Crime includes the total number of violent crimes (murder, rape, robbery and aggravated assault) and property crimes (burglary, larceny and motor vehicle theft). The Forsyth County Sheriff's Office reports crime data based on categories and definitions conforming to National Incident-Based Reporting System (NIBRS) standards in which crimes per incidents are reported. The agency converted their reporting systems in July of 2019 to follow this recommended system by the FBI. The following charts and tables report all crime using the NIBRS method. The total number of victims is counted in murder, rape, and aggravated assault. The total number of incident charges is counted in robbery, burglary, and larceny.

Type of Crime	2016	2017	2018	2019
Murder	3	2	1	7
Rape	20	14	13	18
Robbery	31	41	42	32
Aggravated Assault	251	224	219	180
Burglary	679	556	468	400
Larceny	1,400	1,560	1,544	1,320
Motor Vehicle Theft	126	143	184	138
TOTAL:	2,510	2,540	2,471	2,095

Note: The index crime data is provided yearly to the State Bureau of Investigation (SBI). The SBI converts the index crime data back to the Uniform Crime Reporting (UCR) standards in which only the most serious crime is reported according to the UCR hierarchical reporting. Therefore, crime figures listed for Forsyth County Sheriff's Office that are published by the SBI and the Federal Bureau of Investigation (FBI) will vary based on differences in IBR and UCR reporting.

Forsyth County Sheriff's Office

Index Crime Clearances

An offense is considered cleared when at least one offender is arrested for that offense, even though several offenders may be involved. Several offenses may be cleared by the arrest of one person, while the arrest of multiple offenders may only clear one offense. Crimes can also be cleared by exceptional means. Not all crimes are cleared during the calendar year in which the offense occurred. Clearance rates are based on the total crimes cleared during the reporting period, regardless of when the crime occurred.
