What is Healthy Start Triad Baby Love Plus?

Healthy Start Triad Baby Love Plus (HSTBLP) is a FREE program designed to promote healthy pregnancies, positive birth outcomes and provide participants with the knowledge and resources needed to give babies their best start in life! The purpose of HSTBLP is to:

- Improve the health of women before, during and after pregnancy
- Improve birth outcomes
- Improve father/male partner involvement
- Address health disparities
- Build community capacity for healthier babies

Who is Eligible?

- Medicaid eligible women of childbearing age (15-44 years) who live in Guilford and Forsyth counties
- Women with a child less than 18 months of age
- Fathers or male partners

What Services Do We Provide?

Our staff will partner with participants to identify and address any needs of the mother, infant and family. We have Family Care Coordinators and Family Outreach Workers who provide the following valuable services:

- Identify developmental, social and emotional difficulties
- Develop individualized care plans
- Assist in establishing and meeting goals
- Referrals to medical providers and community agencies
- Develop reproductive life plans
- Health education and support group meetings
- Provide services until the child is 18 months old
- Home visits
