EXPLANATION:

The North Carolina Department of Health and Human Services, Division of Child Development and Early Education, allocates funds for the Child Care Subsidy Program throughout the fiscal year. These funds assist children and families with child care assistance and are 100% State and Federal funds. There is no County money involved. In the April 2017 Funding Authorization, Forsyth County's total allocation was \$13,665,359, which represents an increase of \$666,464 above the original budgeted amount for FY 2016-2017.
