Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Notwithstanding other provisions of federal OMB Circulars-CFR Title 2, Grants and Agreements, Part 200, costs associated with the following activities are unallowable:

**Paragraph A.**

- (1) Attempts to influence the outcomes of any Federal, State, or local election, referendum, initiative, or similar procedure, through in kind or cash contributions, endorsements, publicity, or similar activity;
- (2) Establishing, administering, contributing to, or paying the expenses of a political party, campaign, political action committee, or other organization established for the purpose of influencing the outcomes of elections;
- (3) Any attempt to influence: (i) The introduction of Federal or State legislation; or (ii) the enactment or modification of any pending Federal or State legislation through communication with any member or employee of the Congress or State legislature (including efforts to influence State or local officials to engage in similar lobbying activity), or with any Government official or employee in connection with a decision to sign or veto enrolled legislation;

- (4) Any attempt to influence: (i) The introduction of Federal or State legislation; or (ii) the enactment or modification of any pending Federal or State legislation by preparing, distributing or using publicity or propaganda, or by urging members of the general public or any segment thereof to contribute to or participate in any mass demonstration, march, rally, fundraising drive, lobbying campaign or letter writing or telephone campaign; or
- (5) Legislative liaison activities, including attendance at legislative sessions or committee hearings, gathering information regarding legislation, and analyzing the effect of legislation, when such activities are carried on in support of or in knowing preparation for an effort to engage in unallowable lobbying.

The following activities as enumerated in Paragraph B are excepted from the coverage of Paragraph A:  
**Paragraph B.**

- (1) Providing a technical and factual presentation of information on a topic directly related to the performance of a grant, contract or other agreement through hearing testimony, statements or letters to the Congress or a State legislature, or subdivision, member, or cognizant staff member thereof, in response to a documented request (including a Congressional Record notice requesting testimony or statements for the record at a regularly scheduled hearing) made by the recipient member, legislative body or subdivision, or a cognizant staff member thereof; provided such information is readily obtainable and can be readily put in deliverable form; and further provided that costs under this section for travel, lodging or meals are unallowable unless incurred to offer testimony at a regularly scheduled Congressional hearing pursuant to a written request for such presentation made by the Chairman or Ranking Minority Member of the Committee or Subcommittee conducting such hearing.
- (2) Any lobbying made unallowable by subparagraph A (3) to influence State legislation in order to directly reduce the cost, or to avoid material impairment of the organization's authority to perform the grant, contract, or other agreement.
- (3) Any activity specifically authorized by statute to be undertaken with funds from the grant, contract, or other agreement.

**Paragraph C.**

- (1) When an organization seeks reimbursement for indirect costs, total lobbying costs shall be separately identified in the indirect cost rate proposal, and thereafter treated as other unallowable activity costs in accordance with the procedures of subparagraph B.(3).
- (2) Organizations shall submit, as part of the annual indirect cost rate proposal, a certification that the requirements and standards of this paragraph have been complied with.
- (3) Organizations shall maintain adequate records to demonstrate that the determination of costs as being allowable or unallowable pursuant to this section complies with the requirements of this Circular.
- (4) Time logs, calendars, or similar records shall not be required to be created for purposes of complying with this paragraph during any particular calendar month when: (1) the employee engages in lobbying (as defined in subparagraphs (a) and (b)) 25 percent or less of the employee's compensated hours of employment during that calendar month, and (2) within the preceding five-year period, the organization has not materially misstated allowable or unallowable costs of any nature, including legislative lobbying costs. When conditions (1) and (2) are met, organizations are not required to establish records to support the allowability of claimed costs in addition to records already required or maintained. Also, when conditions (1) and (2) are met, the absence of time logs, calendars, or similar records will not serve as a basis for disallowing costs by contesting estimates of lobbying time spent by employees during a calendar month.
- (5) Agencies shall establish procedures for resolving in advance, in consultation with OMB, any significant questions or disagreements concerning the interpretation or application of this section. Any such advance resolution shall be binding in any subsequent settlements, audits or investigations with respect to that grant or contract for purposes of interpretation of this Circular; provided, however, that this shall not be construed to prevent a contractor or grantee from contesting the lawfulness of such a determination.

**Paragraph D.**

Executive lobbying costs. Costs incurred in attempting to improperly influence either directly or indirectly, an employee or officer of the Executive Branch of the Federal Government to give consideration or to act regarding a sponsored agreement or a regulatory matter are unallowable. Improper influence means any influence that induces or tends to induce a Federal employee or officer to give consideration or to act regarding a federally sponsored agreement or regulatory matter on any basis other than the merits of the matter.

### What is a Private Non Profit Agency?

*Answer:* A private non profit is an organization that is incorporated under State law and whose purpose is not to make a profit, but rather to further a charitable, civic, religious, scientific, or other lawful purpose. The Secretary of State's office grants corporate status to organizations in North Carolina.

### What is a 501(c)(3) designation?

*Answer:* When the agency becomes a state private non profit corporation, it can then apply for 501(c)(3) designation through the IRS. Once the IRS grants 501(c)(3) status, the organization is exempt from certain taxes and any donations to the charitable organization are tax deductible. Many individuals and organizations prefer to make donations to 501(c)(3) private non profits.

### Who can obtain a 501(c)(3) designation?

*Answer:* Any organization or group can apply for 501(c)(3) status, provided their charter or mission focuses on the non profit's objective.

Another option is to apply for a 509(a)(1) status which falls under the 501(c)(3) umbrella. Being a 509(a)(1) designates an organization as a tax-free public charity that receives most of its support from a governmental unit or from the general public. Becoming a 509(a)(1) provides public recognition of tax-exempt status, advance assurance to donors of deductibility of contributions, exemption from certain State and federal taxes, and non profit mailing privileges. Organizations that typically qualify are churches, educational institutions, hospitals, and governmental units.

Cincinnati, OH 45201

You may also contact the Taxpayer Advocate Service, an independent organization within the IRS that helps taxpayers resolve problems with the IRS and recommends changes that will prevent problems.

A private non profit must apply to the IRS for tax exempt status. To qualify, applicants must complete and submit to the IRS Form 1023. Once federal tax exempt status is granted, the private non profit applies for State tax exempt status by completing Form CD-435 and submitting it to the N. C. Department of Revenue.

### What must a County Department of Social Services/Human Services do?

*Answer:* Verify the Tax Exempt Letter. Check date for expiration and check if current address of agency is reflected.

## Notice of Certain Reporting and Audit Requirements

Grantee shall comply with all rules and reporting requirements established by statute or administrative rules. All reports must be submitted to the addresses below.

The applicable prescribed requirements are found in North Carolina General Statute 143C-6-22 & 23 entitled "Use of State Funds by Non-State Entities" and Implementation of Required Rules, 09 NCAC 03M .0102 -0802, North Carolina Administrative Code, issued September 2005.

The Contractor's fiscal year runs from July 1 to June 30.

G.S. 143C-6-23 requires every nongovernmental entity that receives State or Federal pass-through grant funds directly from a State agency to file annual reports on how those grant funds were used. There are 3 reporting levels which are determined by the total direct grant receipts from all State agencies in your fiscal year:

- Level 1: Less than \$25,000
- Level 2: At least \$25,000 but less than \$500,000
- Level 3: \$500,000 or more

A grantee's reporting date is determined by its fiscal year end and the total funding received directly from all State agencies. For those grantees receiving less than \$500,000, the due date is 6 months from its fiscal year end. For those receiving \$500,000 or more, the due date is 9 months from its fiscal year end. In addition to the reports, grantees receiving \$500,000 or more must submit a yellow book audit in electronic or hard copy to the Office of the State Auditor and to all funding State agencies at the addresses below.

**All annual grantee reports required by GS 143C-6-23 must be completed online at www.NCGrants.gov.** The online reporting system will automatically place your organization on the Noncompliance list if your reports have not been completed in www.NCGrants.gov by your required due date.

To access the online grants reporting system go to www.NCGrants.gov and click on the LOGIN tab at the top of the page. You must have a NCID to access the online reporting system. To obtain a user manual or request assistance with the system please go to https://www.ncgrants.gov/NCGrants/Help.jsp. You can also email requests for assistance directly to NCGrants@osbm.nc.gov.

Once you have logged in you will see your "Grantee Summary / Data Entry Screen".

- Your summary screen will identify your correct level of reporting, i.e., Level 1, 2 or 3, based on the State grant funds paid to your organization during your fiscal year.
- The summary will show all the grants contained in the www.NCGrants.gov system that have been awarded to your organization. The program will automatically provide links to the reports that correspond to your reporting level, and only those reports, for each grant. Check to make sure that the grant(s) shown in the system correspond with what you show as having received from each agency for your fiscal year.
- If you have questions, need help in resolving any differences between your records and online reporting system or need corrections to be made to the data you enter, send an e-mail to NCGrants@osbm.nc.gov to request help.

All grantees must file their required reports online at www.NCGrants.gov without exception.

### IMPORTANT NOTE FOR AUDITS

If you expend more than \$500,000 in Federal grant funds from all sources, then you must have an A-133 single audit performed. If you are at this level for federal reporting and you are required to file a yellow book audit with the State under G.S. 143C-6-23, then you may substitute the A-133 audit for the yellow book audit.

If you are required to have an A-133 audit performed and you receive any Federal grant funds passed through the North Carolina Department of Health and Human Services, you are required to file the A-133 audit with the North Carolina Department of Health and Human Service.

If you expend more than \$500,000 and you are required to file a yellow book audit with the State Auditor under G.S. 143C-6-23, then you are also required to file the yellow book audit with the North Carolina Department of Health and Human Service.

A planned enhancement to the system is the capability for the grantee to directly upload a pdf version of their audit directly into the online system where it will be accessible to both the funding agency/agencies and the Office of the State Auditor.

Please send the required audit to the following address:

**AGREEMENT WITH RESPECT TO  
LANGUAGE ACCESS POLICY FOR PERSONS WITH  
LIMITED ENGLISH PROFICIENCY**

This Agreement, effective this 1<sup>ST</sup> day of July, 2015 is made and entered into between Forsyth County Department of Social Services (FCDSS) and Here '2 There Van Service, Inc. (Service Provider).

This Agreement establishes procedures to ensure Service Provider's compliance with Forsyth County DSS policy with respect to persons with limited English proficiency (LEP). Both parties hereto understand and acknowledge that failure to take reasonable steps to ensure that individuals who are limited English proficient (LEP) have meaningful access to services provided by FCDSS and Service Provider may constitute discrimination on the basis of national origin, in violation of title VI of the Civil Rights Act of 1964, which prohibits recipients of Federal financial assistance from discrimination on the basis of race, color, or national origin.

**Definitions**

- Limited English Proficient (LEP) individual: Any prospective, potential, or actual recipient of benefits or services from the Service Provider who cannot speak, read, write, or understand the English language at a level that permits him/her to interact effectively with Service Provider.
- Vital documents: These forms include, but are not limited to, applications; consent forms; letters containing important information regarding participation in a program; notices pertaining to the reduction, denial, or termination of services or benefits, the right to appeal such actions, or that require a response from beneficiary; notices advising LEP persons of the availability of free language assistance; and other outreach materials.
- Substantial number of LEP persons: 5% or 1,000 people, whichever is smaller, who are potential applicants or recipients of the Service Provider's services and speak a primary language other than English and have limited English proficiency.

**Providing Notice to LEP Individuals**

The Service Provider shall take all appropriate steps to inform all applicants and/or recipients of its services, including those whose primary language is other than English, of the provisions of this policy. Notice shall include the name, telephone number, and address of Service Provider's staff member who is responsible for compliance with this policy.

**Service Provider's Dissemination of Information**

Dissemination of information shall include, but is not limited to, posting and maintaining signs in all Service Provider's locations in waiting rooms, reception areas, and other points of initial entry. These signs must inform applicants and beneficiaries of their right to free language assistance services and invite them to identify themselves as persons needing such services.

**Determining Language Needs of Each Applicant/Recipient**

At the first point of contact whether via telephone or in person, each applicant/recipient shall be assessed to determine the individual's primary language. Techniques that can be used include:

- The individual's declaration that they do not speak English. His/her primary language must then be identified. A declaration of the client shall be sufficient to establish the client's primary language. However, staff should not rely solely on the individual's own assessment of his/her English language proficiency in determining the need for an interpreter. Under no circumstances, shall a Service Provider staff member make this interpretation based solely on whether an individual can answer short questions or a question to which the answer is "yes" or "no."

- English proficiency assessment tools, provided they are administered in a manner that is sensitive to and respectful of individual dignity and privacy.
- If no other resources are available, a telephone interpretation service shall be utilized in making this determination.

#### **Providing Bi-Lingual/Interpreter Services**

- When an applicant/recipient is assessed as LEP, he/she shall be informed of interpreter availability and his/her right to have a language interpreter at no cost.
- Interpreting services are available locally through Communication Access Partners at 336-723-1423 and/or Casa Guadalupe at 336-727-4745. Other interpreting services and/or community volunteers may also be used. Service Provider shall be responsible for any fees charged by persons or agencies providing interpretive services.
- Bi-lingual services shall be provided to serve non-English speakers without undue delay.
- An offer of free interpreter services must be documented in the case file.
- Only under extenuating circumstance, when other remedies have been exhausted, shall a minor (under the age of 18) act as an interpreter, and then only under a temporary basis.

#### **Written Information to LEP Individuals**

- Documents vital for service delivery and other written materials that are routinely made available in English to applicants shall also be made available to limited English speakers. Exception: A program with fewer than 100 persons eligible to be served or likely to be affected by the program must provide written notice in the primary language of the LEP language group of the right to receive oral translation of written materials.
- Until further notice by FCDSS, requirements for vital documents and other written materials apply to Spanish only. Until FCDSS determines a need for written material to be provided in languages other than Spanish, oral translation of those documents is sufficient.

#### **Documentation of Applicant/Recipient Case Record**

Service Provider's case records, including computerized records, must include the following:

- Identification of the applicant's/recipient's ethnic origin and primary language.
- For individuals identified as Spanish speakers, the individual's acceptance, or refusal of forms or other written materials in the individuals in Spanish.
- For other LEP individuals, the individual's request for or refusal of oral translation and how that request was met.
- The method used to provide bi-lingual services, e.g., by bi-lingual employee of Service Provider, contract interpreter, volunteer interpreter, or client- provided interpreter. In the event a minor acts as interpreter, the circumstances requiring the temporary use of minors must be documented.

#### **Applicant/Recipient Complaints of Discriminatory Treatment**

Service Provider shall review this information with all of its employees to ensure that there is not a gap between this written policy and the actual practices of employees interacting with LEP individuals.

- The Service Provider will provide assistance to LEP individuals who do not speak or write English if they indicate they would like to file a complaint of discriminatory treatment against Service Provider. Complaints shall be filed in writing, contain the name and address of the person filing the complaint, and briefly describe the alleged violation.
- Complaints shall be filed with the Director of the Forsyth County Dept. of Social Services, 741 N. Highland Avenue, Winston-Salem NC 27101, no later than 60 days of the alleged violation.
- The FCDSS Director or his/her designee shall investigate the matter. If the investigation indicates a failure to comply with this policy, Service Provider and complainant shall be notified and FCDSS shall attempt to resolve the matter by informal means. FCDSS shall notify the Office of Legal

Affairs, Office of the Secretary of North Carolina Department of Health & Human Services (NCDHHS) of complaint(s) filed, the date of filing, actions taken and resolution thereof.

- o If the matter can not be resolved by informal means, the FCDSS Director or his/her designee shall refer the matter to the Office of Legal Affairs, Office of the Secretary of NCDHHS with a recommendation that the appropriate proceedings against Service Provider be brought or proceed under applicable state or local law.

IN WITNESS WHEREOF, Forsyth County Department of Social Services and Service Provider, through their authorized officers and agents, have caused this Agreement to be executed on their behalf.
